ANSBACHER APPOINTS NEW HEAD OF WEALTH DISTRIBUTION FOR EUROPE MIDDLE EAST AND AFRICA

Ansbacher has appointed industry specialist Roddy Buchanan, former Chief Operating Officer and Deputy Managing Director at SG Investment Management, as Head of Wealth Distribution for Europe Middle East and Africa. His role will also be expanded to include the additional responsibilities as Head of Investment Management on a global basis, following regulatory approval.

Roddy has an impressive background in the private client fund management arena, where he has held senior managerial positions at SG Investment Management, Capel-Cure Sharp, and Capel-Cure Myers over the past 13 years.

Roddy will report to Hugh Titcomb, Managing Director of Ansbacher in London and Global Head of Banking, Investment and Fund Services for the Ansbacher Group.

Hugh commented:

“We are delighted to welcome someone of Roddy’s experience to Ansbacher’s Wealth Distribution team and believe he will have a vital role to play as we look to expand the business and build on its current success.”

Roddy’s predecessor, Grant Stobart, will be leaving Ansbacher shortly to take up a senior position with Alexander Forbes in London.
